

How to get to Kidsafe WA

Kidsafe WA is now located at 140 Railway Parade, West Leederville. There is limited street parking available on Southport Street and Oxford Close and these attract fees. Kidsafe WA has limited parking available for child car restraint services only.

To save you money and the hassle of finding parking we recommend that you utilise alternative transport options when possible. Let us tell you about some of these options.

Onsite Parking for Child Car Restraint Fitting, Checking, Advice and Hire Services

A small number of parking bays are located at the rear of the Kidsafe WA building (entry off Railway Parade and turn down Bamford Lane). These bays are for the sole purpose of visitors attending appointments for the Child Car Restraint Fitting, Checking, Advice and Hire Services.

An alternative car entry point is along Southport Street into Bamford Lane.

Walk

Walking is a simple and easy way to get active. Kidsafe WA's central location along Railway Parade means it is within easy walking distance of train stations and bus stops.

Train

Visitors can utilise both the Fremantle and Joondalup train lines as a simple and cost effective way to visit our centre.

Three train stations are within easy walking distance:

- Leederville (400m)
- City West (500m)
- West Leederville (600m)

Bus

Both the Yellow and Green CAT bus services have stops close to Kidsafe WA.

- **Yellow CAT** - Murray Street/Princess Margaret Hospital Y 20 Stop (500m)
- **Green CAT** – Leederville Station or City West Station Stop (400m/500m)

Cycle

Many people already cycle to work using Perth's network of cycle paths. Kidsafe WA's new premises are within 100m of the two main cycle paths, making it a simple and healthy option. We are located:

- Directly opposite the east-west cycle path (along the Fremantle Train line) – use the Thomas Street exit to cross the railway line to access Railway Parade.
- Off the Southport Street entry to the north-south cycle path (which runs along the Mitchell and Kwinana Freeways

Bicycles can be stored in our short stay bicycle racking located at the front of the building.
